Choose your field of study:

- Business and Administration
- Healthcare and Social Services
- Seafaring
- Technology
- Natural Resources
- Tourism and Catering
- Culture
- Sports

What do you want to study?
Over 40 international degree programmes in English:
- Bachelor’s degrees
- Master’s degrees

Application process
1. Choose the right programme for you.
2. Check the selection criteria and methods for the programmes you are interested in.
3. **Apply online at www.studyinfo.fi from 8 to 22 January 2020.** The online application closes on 22 January at 3:00 pm Finnish time (GMT +2). You can apply up to 6 study programmes with the same joint application form.
4. Take the entrance examination in spring 2020. FINNIPS arranges the examinations in **12 countries** around the world in March 2020. Besides the entrance examination, some programmes also accept SAT test scores in the admissions process.

Tuition fees and scholarships
Citizens of the European Union (EU) or the European Economic Area (EEA) countries are not required to pay tuition fees in Finland.

Students coming from outside the EU/EEA are liable to pay tuition fees in English-taught Bachelor’s and Master’s Degree Programmes.

Scholarships are available for fee-paying students. The level of tuition fees and the scholarship criteria differ from institution to institution. You can find information on the fees and scholarships at the FINNIPS website: [www.finnips.fi](http://www.finnips.fi)
